Rocker Tool Posts

Item Code No.	Description
ABM-IMT-6730	Rocker Tool Post - Small Tool Holder with 3/8" x 1-1/2" Shank
ABM-IMT-6731	Rocker Tool Post - Medium for Tool Holder with 3/4" x 1" Shank
ABM-IMT-6732	Rocker Tool Post - Big for Tool Holder with 3/4" x 1-3/4" Shank

Die Adapters

- Easily converts round die into hex dies.
- Just set the correct size die into adapter and tighten the screw.
- Great tool to use where conventional die stocks cannot swing due to lack of space.
