## detergent, removes stains, softens, whitens

- Pure olive and laurel Aleppo soapflakes, cooked in cauldrons.
- High in active ingredients. Free from chemicals and phosphates.
- Natural, hypoallergenic and biodegradable.
- For delicates fabrics, silk, wool, baby clothes and as a pre-wash stain remover.

**Authentic Aleppo soap shaved into paper thin perfectly** dried flakes that wash beautifully in a machine or hand wash.

**Hypoallergenic, concentrated economical formula**, guarantees super clean laundry that is perfectly tolerated by even delicate and sensitive skins.

**Recommended for delicate laundry** (silk, wool, baby clothes...), these flakes obtain good results when used in a machine wash to whiten fabrics or in a pre-wash to remove stubborn stains.

**To make your own detergent**, mix (in large bowl):

1,5 litres of very hot water, 2 tablespoons Aleppo soapflakes, 2 tablespoons alum crystals.

Leave for approximately two hours, mixing well at regular intervals, until the flakes are completely dissolved. Mix and blend well before each use.
