L'HUILE MAGIQUE BIO

The company NOPALEXMAROC was created in 2017. Hasna RIAD, the manager, is passionate about the beneficial effects on health and well-being from organic and plant farming.

Pearl of Cactus, comes from this passion, and from the soil of its country, Morocco.

This natural, pure and organic product is prickly pear seed oil. After the success of argan oil, and thanks to the expertise in Aromatherapy of the founder and her brother Ali, doctor of Pharmacy, she decided to create her company around the precious prickly pear seed oil. We enjoy the benefits of their skills and professional expertise in this new and wonderful oil.

COMPOSITION

Ingredient. Opuntia Ficus india seed oil

100% du total des ingrédients sont d'origine naturelle

100% du total des ingrédients sont issus de l'agriculture biologique

100% du total des ingrédients sont issus du commerce équitable.

THE BEST SKIN CARE

- Powerful antioxidant that slows down cell aging, stimulates cell renewal and helps protect against free radicals.
- Anti-wrinkle, reduces the number and depth of wrinkles and fine lines as well as the puffiness and dark circles under the eyes.
- Reduces redness, calms sunburn.
- Restructuring, healing, restorative, it has a positive action on scars.
- Firming and providing a smoothing effect - it is an excellent tensor.
- Tightens the pores of the skin, restores skin to the face and bust, hjjjtonus and firmness.
- Hydrating, nourishing, its emollient action will soften and soften the skin in depth.

HAIR CARE

The oil is also applied to the hair. It will nourish and hydrate them in depth, leaving the oil to act on the hair for at least fifteen minutes.

Prickly pear oil is a high quality dry oil, it will not leave greasy or sticky hair.

Hair regains shine, shine, suppleness and softness.

CARE OF NAILS AND HANDS

Prickly pear oil can be applied as a care for nails and hands.

Regular massage of this oil on the nails strengthens them and on the hands, protects them from cold and dehydration.

PROPERTIES & VIRTUES

With an infinitely light texture, prickly pear seed oil « Perle de Cactus », still has a record level of essential fatty acids.

But what makes it so exceptional is its vitamin E and delta 7 stigmaterol content, a component very rare in the plant world and powerful antioxidant.

Anti-radical, it's the ultimate anti-aging oil!

It restores firmness and tone to the skin. Regenerating, the omega-6 it contains promote the natural repair process of the skin.

Excellent emollient, it softens and protects the skin from dehydration.

It is particularly suitable for mature and dehydrated skin.

This oil is a real natural anti-aging serum and an exceptional ally in the fight against aging.

FAIR TRADE

We guarantee farmers an income that allows them to make a decent living from their harvest. We are certified fair trade.
