President **ISA DAL**

To our valued customers, friends and respected Partners,

In our 20th year, I am proud to present you our expanding variety of product line. In time, our infamous quality of work and services have motivated us to develop much further. With 30 years of business experience and expertise on my side and performances in the areas of R&D (Research and Development) and P&D (Production and Development) areas, we claim to stand above the rest amongst our competitors. Along with my highly competent, talented team members, it is our honor to share our expertise with you.
