NET-BOX NEW

OKW GEHÄUSE SYSTEME

ELEGANT CENTRAL CONTROL UNIT

THE PRODUCT

The new NET-BOX wall-mounted enclosure series has a fresh and exciting curved appearance.

The flat design of the enclosure gives you plenty of scope for installing your electronics, smaller displays and large-volume connectors. The design on the underside is also exciting: the wall mounting is on the right and left, and in between there is a surface for interfaces. When the wiring for the electronics has been completed, the connectors are elegantly covered by the top lid - all this without any visible screws. With these design features and the elegant colors of light gray/lava, the NET-BOX fits ideally into modern surroundings.

Thanks to the UV-stabilised V0 material used and the optional IP 65 protection class, this new series of enclosures can also be used for terminal units outdoors.

With the optional infill cover you also have the option of fitting a further PCB and visually closing the bottom part of the enclosure.

MATERIAL / COLOUR

Top part, trim:

- ASA+PC-FR (UL 94 V-0), light grey (RAL 7035)

Bottom part, cover:

- ASA+PC-FR (UL 94 V-0), lava

High-quality stainless steel screws with Torx heads.

OKW GEHÄUSE SYSTEME

EXCITING SOLUTION

OUTSIDE DIM. IN MM

NET-BOX	W x H x D
140	140 x 140 x 46.5
180	180 x 180 x 48.5
220	220 x 220 x 50.5

PROTECTION CLASS IP 65

With seal (accessory).

YOUR ADVANTAGES

3 sizes – plenty of room for electronics and interfaces.

Uniform appearance thanks to concealed screws and plug connections.

Compact electronics compartment with two PCB levels.

Easy, flush, three-point wall mounting.

APPLICATIONS

Data acquisition systems.

Data systems engineering.

Measuring and control technology.

Central control units.

Supervision terminals and access control.

Medical technology.
