HAUTE TEMPÉRATURE

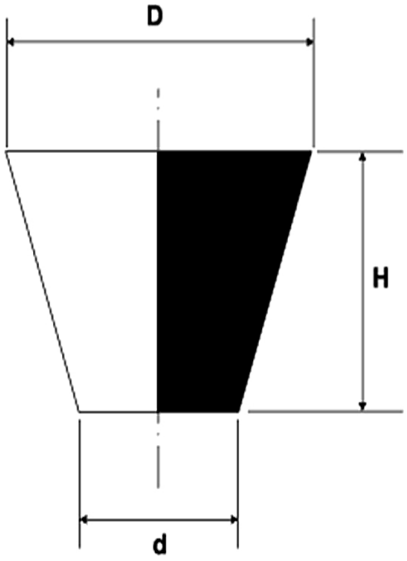

N17

N17-Bouchons de protection coniques HT

EPDM, Silicone

Noir, Naturel

Pour protéger trous filetés ou lisses lors de vos traitements de surface. Sa forme conique et lisse lui permet de s'adapter à toute une gamme de dimensions de trou.
Réutilisation possible.
Silicone: 315° - Couleur Naturel
Epdm : 177° - Couleur Noir
