

Organisation magnets with metal body

Organisation magnet of Neodymium (NdFeB), nickelized

Article number	D mm	H mm	Force* N	Weight g	Packaging unit
DSP19-Ndni	19	7	85	12	10 pieces
DSP23-Ndni	23	7.5	130	20	10 pieces
DSP29-Ndni	29	8	160	32	10 pieces

PRODUCT INFORMATION:

- » Attention very strong holding force in case of direct contact with metal
- » Are particularly suitable for walls with magnetic paint
- » Excellent air gap bridging

Alternative to the standard we also offer individual solutions:

- » Lacquering also possible in other colours

\* The forces have been determined at room temperature on a plate in polished steel (S235JR according to DIN 10 025) with a thickness of 10 mm (1kg ~ 10N). A maximum deviation of -10% compared to the specified value is possible in exceptional cases. Value is exceeded in general. Depending on the type of application (installation situation, temperatures, counter anchor etc.) the forces can be influenced enormously. The indicated values are serving as an orientation. Please get advice and help from our experts.
