

Ref: G11/PLCDA5

Flat gas cooking, hard chrome plate,
cupboard, "service hatch"

Your professional partner

Brand : DIAMOND

- Useful dimensions of the cooking surface 315x760 mm, 23,94 dm².

- Open cupboard underneath, dimensions 435x895xh355 mm.

Version : with hard chrome plate "50 µm".

- Manufactured in stainless steel 18/10 AISI 304, adjustable legs in stainless steel.

- Cooking plates in cast iron with high conduction of heat, placed in a welded basin, on the same height as the top. This characteristic allows you to catch the cooking fluid, which will afterwards leak in the frontally placed catching drawer (drawer only accessible from one side).

- Gas heating, through stainless steel burners with stabilized flame . Regulation of the flame through a gas-tap (chrome version, thermostatic gas-tap).
